

**Plug PowerTOP® Xtra**  
Part no. 13106

- screw terminals
- rubberised grip area
- frame terminals
- highly heat resistant contact carrier
- nickel plated contacts
- cable gland and sealing
- strain relief and protection against kinking
- enclosure with thread lock
- two safety slides

Technical specifications

|                           |                                                               |
|---------------------------|---------------------------------------------------------------|
| Ampere                    | 63 A                                                          |
| Poles                     | 4 p                                                           |
| Voltage                   | 400 V                                                         |
| Clock position            | 6 h                                                           |
| Hertz                     | 50-60 Hz                                                      |
| Connection technology     | Screw terminals                                               |
| Contact                   | highly heat resistant contact carrier, nickel plated contacts |
| Protection type           | IP 44                                                         |
| Weight                    | 720 g                                                         |
| Declaration of Conformity | VDE, EAC, CQC                                                 |
