

Drill Connect - 1 pc | Drill connect

- The innovative and patented Drill Connect System is the ultimate solution for those requiring maximum versatility with large diameter drilling tools.
- Versatile: Drill Connect acts as a link between machine and drilling tools. On one side the system is totally compatible to all SDS-Max reception drilling tools such as drill bits, tunnel bits and core cutters. On the opposite side between the rotary hammer and the Drill Connect attachment one can fit the extension piece with the desired length.
- Universal: The extension pieces are offered in a range of lengths fitting to rotary hammers with either SDS-Max, Spline or 19 mm Hex reception. Short or long - the choice is yours!
- Cost effective: Professional users always require both long and short length drill bits and depending on the application sometimes even of the same diameter. But now, one can reduce the total number of drilling tools with the help of the
