

Item no. 771-9994/206-502

WINSTA® MIDI > pre-assembled connecting cable; Eca;
 Plug/open-ended; 4-pole; Cod. A; H05VV-F 4G 1.5 mm²; 5 m;
 1,50 mm²; white

Color:

Cable assembly **WINSTA® MIDI** with protection type **IP20**

The **WINSTA® MIDI** cable assembly A coding ensures fast, reliable installation. The pluggable installation connectors with spring pressure connection technology function completely without screw connections. They allow fast, efficient, error-free installation in numerous possible uses.

The color coding and mechanical coding of the pluggable installation connector ensure error-free installation of the individual components – including protection against mismating. The pluggable installation connector offers touch-proof protection with live components in accordance with protection type IP20. The **WINSTA® MIDI** pluggable installation connector with A coding in black or white is normally used for general mains applications in power distribution. **WINSTA® MIDI** with Push-in **CAGE CLAMP®** spring pressure connection technology is found in a broad range of individual products you can use for quick, easy and maximally flexible installation. This product meets all the relevant fire protection requirements of fire class E; thus it can be used in areas where fire safety is relevant.

Pluggable connections instead of screw connections – cable assemblies from

The cable is pre-assembled with a plug and a free end. WINSTA® is the pluggable connection system that is ideally tailored to the strict requirements of electrical installation. It allows error-free installation of cables and components, quickly and reliably. Take advantage of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with WINSTA® MIDI pluggable installation connectors with marking from WAGO.

- protection against mismating eliminates errors
- pre-assembled versions
- with Acoding for use in many general mains applications
- ready to install and use immediately
- convenient installation and commissioning
