771-9995/106-202

Item no. 771-9995/106-202

**WINSTA® MIDI** > pre-assembled connecting cable; Eca;  
Socket/open-ended; 5-pole; Cod. A; H05VV-F 5G 1.5 mm<sup>2</sup>; 2  
m; 1,50 mm<sup>2</sup>; white

Color:

## Cable assembly **WINSTA® MIDI** with protection against mismatching

For power and signal transmission: The **WINSTA® MIDI** cable assembly with protection against mismatching. **WAGO** pluggable installation connectors are used when requirements repeat or are planned on a defined pattern, for example for installing grid lighting or flush-mount lighting.

For greater security in electrical installations, the pluggable installation connector is provided with mechanical protection against mismatching. The pluggable installation connector is protected in accordance with protection type IP20. This means that users' fingers will never come into contact with energised contact elements. The **WINSTA® MIDI** pluggable installation connector with A coding in black or white is normally used for general mains applications in power distribution. The **WINSTA® MIDI** Pluggable Connection System with Push-in **CAGE CLAMP®** spring pressure connection technology facilitates safe electrification. Due to the built-in test slot, connections can be checked even when they are plugged in. This saves time, labor, and money. Of course, the safety of buildings must always be ensured, even after the electrical installation has been performed. The required safety requirements in connection with EU CPR are fully satisfied by this product through fire class E.

## Pluggable connections instead of screw connections – cable assemblies from WAGO

The cable assembly is provided with a socket and a free end. The WINSTA® Pluggable Connection System allows pluggable electrical installation. This saves time, lowers costs, and reduces the need for servicing. Choose quality and durability – the WINSTA® MIDI pluggable installation connector with protection against mismatching from WAGO makes the electrical installation of electrical components noticeably easier.

- protection against mismatching eliminates errors
- pre-assembled versions
- with A coding for a large number of applications
- exact dimensions
- convenient installation and commissioning
