

Item no. 771-9995/107-202

WINSTA® MIDI › pre-assembled connecting cable; Eca;
Socket/open-ended; 5-pole; Cod. A; H05VV-F 5G 2.5 mm²; 2
m; 2,50 mm²; white

Color:

Cable assembly **WINSTA® MIDI 5-pole**

For signal and power transmission: The **WINSTA® MIDI** cable assembly 5-pole. WAGO pluggable installation connectors are useful when requirements repeat or are planned on a specified grid, for example for installing grid lighting or flush-mount lighting.

For greater security in electrical installations, the pluggable installation connector is provided with mechanical protection against mismatching. The pluggable installation connector is protected against ingress by solid objects in accordance with protection type IP20. Thanks to the color coding and mechanical A coding of **WINSTA® MIDI** pluggable installation connectors, you can clearly distinguish different circuits. The rated current and voltage are important criteria for selecting a pluggable installation connector: They tell us about the product's domains of use. This product has a current rating of 20 A – so it is suitable for robust loads. **WINSTA® MIDI** with Push-in CAGE CLAMP® spring pressure connection technology is used in a broad range of individual products you can use for quick, easy and maximally flexible electrical installation. According to the European CPR, the fire class of the cables used for construction is decisive for building safety as well. For houses with medium-level safety requirements, cable assemblies with fire class E are suitable.

Fast, secure pluggable connections – cable assemblies from WAGO

The cable is pre-assembled with a socket and a free end. WINSTA® is the pluggable connection system that is perfectly tailored to the strict requirements of electrical installation. It offers error-free installation of cables and components, quickly and reliably. Enjoy the benefits of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with WINSTA® MIDI pluggable installation connectors with strain relief hosting from WAGO.

- protection against mismatching eliminates errors
- simple circuits
- for any mains application
- custom-engineered solutions
- convenient installation and commissioning
