Item no. 771-9993/206-502

WINSTA® MIDI › pre-assembled connecting cable; Eca; Plug/open-ended; 3-pole; Cod. A; H05VV-F 3G 1.5 mm²; 5 m; 1,50 mm²; white

Color:

Cable assembly *WINSTA®* MIDI with protection type IP20

The *WINSTA®* MIDI cable assembly with protection type IP20 is the pluggable solution for your application in control cabinets, for lighting connections or on PCBs. WAGO pluggable installation connectors can be used when requirements repeat or are distributed on a defined pattern, for example for installing grid lighting or flush-mount lighting.

For greater protection in electrical installations, the pluggable installation connector is provided with mechanical protection against mismating. The pluggable installation connector is protected against ingress by solid objects in accordance with protection type IP20. The *WINSTA®* MIDI pluggable installation connector with A coding in black or white is usually used for general mains applications in power distribution. *WINSTA®* MIDI with Push-in CAGE CLAMP® spring pressure connection technology is used in a broad range of individual products you can use for quick, easy, flexible, and secure electrical installation. Of course, the safety of buildings must always be ensured, even after the electrical installation has been performed. The mandatory safety requirements in connection with EU CPR are met by this product through fire class E.

Fast, error-free assembly thanks to cable assemblies from WAGO

The cable is pre-assembled with a plug and a free end. WINSTA® is the pluggable connection system that is optimally tailored to the strict requirements of electrical installation. It offers error-free installation of cables and components, quickly and reliably. Now you can also reduce installation expenses without compromising safety and quality. The *WINSTA®* MIDI pluggable installation connector with fire class E reduces the need for servicing and prevents unnecessary downtime.

- effective protection against mismating
- simple circuits
- with A coding for a great number of uses
- ready for immediate use
- rapid, structured electrical installation
