

Item no. 771-9995/007-702

WINSTA® MIDI > pre-assembled interconnecting cable; Eca;
 Socket/plug; 5-pole; Cod. A; H05VV-F 5G 2.5 mm²; 7 m; 2,50
 mm²; white

Color:

Cable assembly **WINSTA® MIDI** with protection against mismatching

The **WINSTA® MIDI** cable assembly rated current 20 A is the pluggable solution for your application in control cabinets, for lighting connections or on PCBs. On PCBs, in control cabinets or for connecting lights – pluggable installation connectors from WAGO allow you to make connections according to an enormous variety of requirements in next to no time.

The color coding and mechanical coding of the pluggable installation connector ensure error-free installation of the individual components – including protection against mismatching. The pluggable installation connector offers protection against contact with live components in accordance with protection type IP20. Standard mains applications for almost any domain of use can be realised with **WINSTA® MIDI** pluggable installation connectors with A coding. Important parameters in the selection of a pluggable installation connector are the rated current and voltage: They tell us about the product's domains of use. This product has a current rating of 20 A – therefore it is suitable for high power loads. The **WINSTA® MIDI** product line offers total flexibility for the electrical installation. With its Push-in **CAGE CLAMP®** spring pressure connection technology, it achieves error-free, time-saving installation and offers flexibility for meeting all installation requirements. This product meets all the

relevant fire protection requirements of fire class E; as a result it can be used in areas where fire safety is relevant.

Fast, secure pluggable connections – cable assemblies from WAGO

The cable assembly is equipped with a socket and a plug. WINSTA® is the pluggable connection system that is optimally tailored to the strict requirements of electrical installation. It offers fast, secure and, above all, error-free installation of components and cables. Choose durability and quality – the WINSTA® MIDI pluggable installation connector with marking from WAGO makes the installation of electrical components substantially easier.

- protection against mismating eliminates errors
- for automation controllers
- with Acoding for a large number of applications
- ready to install and use immediately
- quick replacement of defective units during ongoing operation
