Item no. 770-643

WINSTA® MIDI > Lockout cap; 3-pole; for cutouts; Plastic; black

Color:

Cover **WINSTA® MIDI 3-pole**

With the cover from the **WINSTA® MIDI** product line, zero-defect installation is guaranteed. A comprehensive range of accessories complements the **WINSTA®** product line from WAGO.

The **WINSTA® MIDI** Pluggable Connection System with Push-in **CAGE CLAMP®** spring pressure connection technology facilitates safe electrification. Due to the built-in test slot, connections can be checked even when they are plugged in. This saves time, labor, and money. Snap-in installation is intuitive – no tools necessary, no additional screw mounting.

Lower costs through fast commissioning and elimination of service expenses – solutions from **WINSTA® MIDI**

The **WINSTA®** Pluggable Connection System is ideally tailored to the strict requirements of building installation. It makes electrical installation pluggable, and therefore more efficient, even more reliable, and error-free. Using this pre-assembled system decreases time spent on assembly and installation errors at the construction site. Take advantage of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with **WINSTA® MIDI** accessories from WAGO.

- for automation controllers
 - convenient installation and commissioning
