

Item no. 771-9993/007-502

WINSTA® MIDI > pre-assembled interconnecting cable; Eca;
 Socket/plug; 3-pole; Cod. A; H05VV-F 3G 2.5 mm²; 5 m; 2,50
 mm²; white

Color:

Cable assembly WINSTA® MIDI rated current 20 A

The WINSTA® MIDI cable assembly A coding ensures rapid, correct installation. WAGO pluggable installation connectors can be used when specifications repeat or are planned on a specific grid, for example for installing grid lighting or flush-mount lighting.

The coding options reduce installation errors, allowing fast, secure wiring of all components. The pluggable installation connector is protected in accordance with protection type IP20. This means that users' fingers will never come into contact with electrified contact elements. The WINSTA® MIDI pluggable installation connector with A coding in black or white is normally used for general mains applications in power distribution. The rated current and voltage are important criteria for selecting a pluggable installation connector: They provide information about possible domains of use and applications. This product has a current rating of 20 A – so it is also suitable for high power loads. WINSTA® MIDI with Push-in CAGE CLAMP® spring pressure connection technology is found in can be found in a variety of projects you can use for quick, easy, secure, tailored installation. This product meets all the relevant safety requirements of fire class E; therefore it can be used in domains where fire safety is relevant.

Pluggable connections instead of screw connections – cable assemblies from WAGO

The cable assembly is provided with a socket and a plug. The WINSTA® Pluggable Connection System allows pluggable electrical installation. This saves time, lowers costs, and reduces the need for servicing. Choose quality and durability – the WINSTA® MIDI pluggable installation connector with marking from WAGO makes the electrical installation of electrical components substantially easier.

- pluggable installation connectors with protection against mismating
- pre-assembled versions
- with Acoding for use in a large number of general mains applications
- flexible installation to save space
- fast, secure installation
