

Item no. 771-9995/206-702

WINSTA® MIDI > pre-assembled connecting cable; Eca;
 Plug/open-ended; 5-pole; Cod. A; H05VV-F 5G 1.5 mm²; 7 m;
 1,50 mm²; white

Color:

Cable assembly **WINSTA® MIDI** rated current 16 A

The **WINSTA® MIDI** cable assembly A coding is the pluggable solution for your use in control cabinets, for lighting connections or on PCBs. The pluggable installation connectors with spring pressure connection technology work entirely without screw connections. They allow fast, efficient, error-free installation in a large number of possible uses.

The color coding and mechanical coding of the pluggable installation connector ensure error-free installation of the individual components – including protection against mismatching. The pluggable installation connector is protected against ingress by solid objects in accordance with protection type IP20. The **WINSTA® MIDI** pluggable installation connector with A coding in black or white is usually used for general mains applications in power distribution. The **WINSTA® MIDI** Pluggable Connection System with Push-in **CAGE CLAMP®** spring pressure connection technology facilitates exemplary electrification. Thanks to the included test slot, it is possible to check connections even when they are plugged in. This saves time, labor, and money. This product meets all the relevant fire protection requirements of fire class E; therefore it can be used in areas where fire safety is relevant.

Fast, secure pluggable connections – cable assemblies from WAGO

A plug and a free end are provided. The WNSTA® Pluggable Connection System is ideally tailored to the strict requirements of building installation. It makes electrical installation pluggable, and consequently more efficient, even more reliable, and error-free. Use of this pre-assembled system reduces assembly times and installation errors at the construction site. Enjoy the benefits of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with WNSTA® MIDI pluggable installation connectors with marking from WAGO.

- pluggable installation connectors with protection against mismatching
- for automation controllers
- with Acoding for use in a large number of general mains applications
- custom-engineered solutions
- convenient installation and commissioning
