

Item no. 897-121

WINSTA® IDC > Flat cable; Eca; 2 x 1.5 mm²; PVC; 2 buses; 50 V; 1,50 mm²; light gray

Color:

Flat cable **WINSTA® IDC 2-pole**

With the flat cable from the **WINSTA® IDC** product line, straightforward electrical installation is ensured. You can rely on the quality of **WINSTA®** components from **WAGO** for your electrical installation accessories too.

According to the European CPR, the fire class of the cables used in construction is essential for the safety of buildings, too. For buildings with medium-level safety requirements, cable assemblies with fire class E are suitable.

Push-in CAGE CLAMP® spring pressure connection technology – pluggable installation instead of laborious screw connections!

The **WINSTA®** Pluggable Connection System is ideally tailored to the strict requirements of building installation. It makes electrical installation pluggable, and thus faster, more reliable, and error-free. Using this pre-assembled system reduces assembly times and installation errors at the construction site. Choose durability and quality – the **WINSTA® IDC** accessory with fire class E from **WAGO** makes the electrical installation of electrical components visibly easier.

- products perfectly tailored to your requirements guarantee safe use
- convenient installation and commissioning
