

Item no. 897-122

WINSTA® IDC > Flat cable; Dca; 2 x 1.5 mm²; halogen-free; 2
 buses; 50 V; 1,50 mm²; light gray

Color:

Flat cable *WINSTA*® IDC 2-pole

The flat cable from the *WINSTA*® IDC product line is the sophisticated solution for trouble-free electrical installation. With WAGO, you benefit from a large selection of expansions for the *WINSTA*® product line.

This product meets all the safety requirements of fire class D; therefore it can be used in areas where fire safety is relevant. In the production of this flat cable, we eliminated the use of halogen. This is an important contribution to climate protection.

Push-in *CAGE CLAMP*® spring pressure connection technology – pluggable installation instead of laborious screw connections!

The *WINSTA*® Pluggable Connection System allows pluggable electrical installation. This significantly reduces the need for servicing and lowers costs. Now you can also reduce installation expenses without compromising safety and quality. The *WINSTA*® IDC accessory with fire class D eliminates the need for servicing and prevents unnecessary downtime.

- products perfectly tailored to your requirements guarantee safe use
- convenient installation and commissioning
