PRODUKTDATA

Description	DALI-CCS KIT
Article no.	22 161 689
EAN-nummer	9008709030961

All values marked with an * are rated values.

**** PLEASE NOTE:** The number of possible luminaires per circuit breaker / phase only takes into account the inrush current. The resulting nominal current intensity and power must be tested separately for each circuit breaker/phase. The dimensioning of the residual current circuit breakers (FI) must be carried out separately.
