

Item no. 771-9993/007-202

*WINSTA® MIDI* › pre-assembled interconnecting cable; Eca;  
Socket/plug; 3-pole; Cod. A; H05VV-F 3G 2.5 mm<sup>2</sup>; 2 m; 2,50  
mm<sup>2</sup>; white

Color:

## Cable assembly *WINSTA® MIDI* rated current 20 A

Use effective pluggable connections instead of laborious screw connections: With the *WINSTA® MIDI* cable assembly with protection against mismatching. Whether on PCBs, in control cabinets or for connecting lights – pluggable installation connectors from WAGO allow you to make connections according to various requirements in seconds.

The mechanical coding and color coding of the pluggable installation connector ensure error-free installation of the individual components – including protection against mismatching. The pluggable installation connector is protected in accordance with protection type IP20. That results in the fact that users' fingers will never come into contact with electrified contact elements. Thanks to the color coding and mechanical A coding of *WINSTA® MIDI* pluggable installation connectors, you can clearly distinguish different circuits. Important parameters in the selection of a pluggable installation connector are the rated current and voltage: They tell us about the product's domains of use. This product has a current rating of 20 A – so it is suitable for powerful loads. *WINSTA® MIDI* with Push-in CAGE CLAMP® spring pressure connection technology is used in can be found in a variety of projects you can use for quick, easy, secure, tailored electrical installation. According to the European CPR, the fire class of the cables used for construction is decisive for the safety of buildings as well. For

houses with average safety requirements, cable assemblies with fire class E are suitable.

## Fast, secure pluggable connections – cable assemblies from WAGO

A socket and a plug are provided. The WINSTA® Pluggable Connection System allows pluggable electrical installation. This significantly reduces the need for servicing and lowers costs. Take advantage of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with WINSTA® MDI pluggable installation connectors with protection type IP20 from WAGO.

- pluggable installation connectors with protection against mismatching
- for automation controllers
- with A coding for use in many general mains applications
- exact dimensions
- quick replacement of defective units during ongoing operation
