771-9993/207-702

Item no. 771-9993/207-702

WINSTA® MIDI > pre-assembled connecting cable; Eca;
Plug/open-ended; 3-pole; Cod. A; H05VV-F 3G 2.5 mm²; 7 m;
2,50 mm²; white

Color:

Cable assembly **WINSTA® MIDI A** coding

Use effective pluggable connections instead of laborious screw connections: With the **WINSTA® MIDI** cable assembly A coding. On PCBs, in control cabinets or for connecting lights – pluggable installation connectors from WAGO allow you to make connections according to an enormous variety of requirements in no time flat.

For greater protection in electrical installations, the pluggable installation connector is provided with mechanical protection against mismatching. The pluggable installation connector is protected against ingress by solid objects in accordance with protection type IP20. Thanks to the color coding and mechanical A coding of **WINSTA® MIDI** pluggable installation connectors, you can clearly distinguish different circuits. This pluggable installation connector can be used for electrical currents up to 20 A. Thus the product is ideally suitable for high power loads. **WINSTA® MIDI** with Push-in **CAGE CLAMP®** spring pressure connection technology is found in a broad range of individual products you can use for quick, easy, secure, tailored installation. This product meets all the relevant safety requirements of fire class E; therefore it can be used in domains where fire safety is relevant.

Pluggable connections instead of screw connections – cable assemblies from

WAGO

The cable assembly is equipped with a plug and a free end. WINSTA® is the pluggable connection system that is perfectly tailored to the strict requirements of electrical installation. It allows error-free installation of cables and components, quickly and reliably. Enjoy the benefits of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with WINSTA® MIDI pluggable installation connectors with marking from WAGO.

- effective protection against mismatching
- pre-assembled versions
- with Acoding for a great number of uses
- custom-engineered solutions
- quick replacement of defective units during ongoing operation
