770-854/011-000

Item no. 770-854/011-000

**WINSTA® MIDI > Plug for PCBs; angled; 4-pole; Cod. B; gray**

Color:

## Male connector/plug **WINSTA® MIDI 4-pole**

The **WINSTA® MIDI** male connector/plug rated current 25 A is economical and space thanks to its compact dimensions. Our pluggable PCB connectors give you a universal pluggable connection system for your devices that meets all the conditions for a stable device connection that is easy to put into operation.

The color coding and mechanical coding of the pcb connector ensure error-free installation of the individual components – including protection against mismatching. Solutions like the **WINSTA® MIDI** pcb connectors with B coding are appropriate for process control, such as for lighting or in data networks. The rated current and voltage are important criteria for selecting a pcb connector: They tell us about the product's domains of use. This product has a current rating of 25 A – therefore it is also suitable for high power loads. Our **WINSTA® MIDI** product line achieves flexibility for the installation. Through its Push-in **CAGE CLAMP®** spring pressure connection technology, it ensures error-free, time-saving installation and offers flexibility for meeting various installation requirements.

**WINSTA® MIDI solutions for your electrical installation – protected against mismatching and maintenance-free**

The WNSTA® Pluggable Connection System allows pluggable electrical installation. This saves time, lowers costs, and reduces the need for servicing. Enjoy the benefits of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with WNSTA® MIDI pcb connectors with marking from WAGO.

- effective protection against mismatching
- for automation controllers
- with B coding for controllers, for example lighting fixtures and sun blinds
- convenient installation and commissioning
