

Item no. 771-9995/106-102

WINSTA® MIDI > pre-assembled connecting cable; Eca;
 Socket/open-ended; 5-pole; Cod. A; H05VV-F 5G 1.5 mm²; 1
 m; 1,50 mm²; white

Color:

Cable assembly WINSTA® MIDI rated current 16 A

The WINSTA® MIDI cable assembly rated current 16 A is the pluggable solution for your application in control cabinets, on PCBs or for lighting connections. WAGO pluggable installation connectors can be used when criteria repeat or are distributed on a specified grid, for example for installing grid lighting or flush-mount lighting.

The color coding and mechanical coding of the pluggable installation connector ensure error-free installation of the individual components – including protection against mismatching. The pluggable installation connector offers protection against contact with live components in accordance with protection type IP20. Standard mains applications for almost any domain of use can be realised with WINSTA® MIDI pluggable installation connectors with A coding. The WINSTA® MIDI product line offers flexibility for the installation. With its Push-in CAGE CLAMP® spring pressure connection technology, it guarantees time-saving, error-free installation and offers customization for meeting all installation requirements. This product meets all the mandatory fire protection requirements of fire class E; thus it can be used in areas where fire safety is relevant.

Fast, error-free assembly thanks to cable assemblies from WAGO

The cable assembly is provided with a socket and a free end. WINSTA® is the pluggable connection system that is optimally tailored to the strict requirements of electrical installation. It offers fast, secure and, above all, error-free installation of components and cables. Choose quality and durability – the WINSTA® MIDI pluggable installation connector with fire class E from WAGO makes the electrical installation of electrical components noticeably easier.

- protection against mismating eliminates errors
- for automation controllers
- with Acoding for use in many general mains applications
- custom-engineered solutions
- rapid, structured electrical installation
