

Front plate screwed, for HxW=200x800mm, blind, sealable, white

Part no. BPZ-FP-S-800/200-BL-W  
Catalog No. 193964  
  
EL-Nummer 2414064  
(Norway)

Technical data ETIM 7.0

|                                                                                                                                                                                                                             |  |    |                |
