## Komplementær

### Skap/kapsling beskrivelse

Floor-standing duct - width 300 mm  
Wall-mounted duct - width 300 mm  
Cubicle - width 400 mm, depth 400 mm

Pack enclosure - width 300 mm

**Antallet vertikale moduler (50 mm)**

9 module(s) : CVS100...160 without earth leakage protection , direct with long terminal shield in 300 mm Wide floor-standing duct (cable coming from top or bottom of enclosure)

9 module(s) : CVS100...160 without earth leakage protection , direct with long terminal shield in 300 mm Wide wall-mounted duct (cable coming from top or bottom of enclosure)

9 module(s) : CVS100...160 without earth leakage protection , direct with long terminal shield in 300 mm Wide Pack enclosure (cable coming from top or bottom of enclosure)

9 module(s) : CVS250 without earth leakage protection , direct with long terminal shield in 300 mm Wide floor-standing duct (cable coming from top or bottom of enclosure)

9 module(s) : CVS250 without earth leakage protection , direct with long terminal shield in 300 mm Wide wall-mounted duct (cable coming from top or bottom of enclosure)

9 module(s) : CVS250 without earth leakage protection , direct with long terminal shield in 300 mm Wide Pack enclosure (cable coming from top or bottom of enclosure)

9 module(s) : INS250, direct with long terminal shield in 300 mm Wide floor-standing duct (cable coming from top or bottom of enclosure)

9 module(s) : INS250, direct with long terminal shield in 300 mm Wide wall-mounted duct (cable coming from top or bottom of enclosure)

9 module(s) : INV100, direct with long terminal shield in 300 mm Wide floor-standing duct (cable coming from top or bottom of enclosure)

9 module(s) : INV100, direct with long terminal shield in 300 mm Wide wall-mounted duct (cable coming from top or bottom of enclosure)

9 module(s) : INV160, direct with long terminal shield in 300 mm Wide floor-standing duct (cable coming from top or bottom of enclosure)

9 module(s) : INV160, direct with long terminal shield in 300 mm Wide wall-mounted duct (cable coming from top or bottom of enclosure)

9 module(s) : INV200, direct with long terminal shield in 300 mm Wide floor-standing duct (cable coming from top or bottom of enclosure)

9 module(s) : INV200, direct with long terminal shield in 300 mm Wide wall-mounted duct (cable coming from top or bottom of enclosure)

9 module(s) : INV250, direct with long terminal shield in 300 mm Wide floor-standing duct (cable coming from top or bottom of enclosure)

9 module(s) : INV250, direct with long terminal shield in 300 mm Wide wall-mounted duct (cable coming from top or bottom of enclosure)

9 module(s) : NSX100...160 without earth leakage protection , direct with long terminal shield in 300 mm Wide floor-standing duct (cable coming from top or bottom of enclosure)

9 module(s) : NSX100...160 without earth leakage protection , direct with long terminal shield in 300 mm Wide wall-mounted duct (cable coming from top or bottom of enclosure)

9 module(s) : NSX100...160 without earth leakage protection , front connection in 400 mm Wide cubicle

9 module(s) : NSX100...160 without earth leakage protection , direct with long terminal shield in 300 mm Wide Pack enclosure (cable coming from top or bottom of enclosure)

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
