

Features and Benefits

Singlemode and Multimode Duplex SC adapters feature either a snap or flange mount and are designed to support the TIA/EIA commercial building telecommunication wiring standards. Adapters are also available with snap-on shutter providing a barrier against harmful light emissions.

- Utilises standard NTT-SC and Bellcore 326 compliant connectors
- RoHS Compliant
- Meets TIA/EIA 568-C.3 and IEC 874-109 standards
- Available in Singlemode and Multimode
- Colours - Singlemode (Blue), Singlemode APC (Green), Multimode (Beige/Aqua)
- Unique shuttered feature protects from harmful light emissions - Available upon application
- Shuttered can be purchased separately
