

**Insulating surround, NH00, for busbar enclosures**

**Part no.** B-GST00-40-60/CI/1  
**Catalog No.** 224553

**EL-Nummer (Norway)** 2502406

## Delivery program

|                |  |  |                                                                                                                            |
|----------------|--|--|----------------------------------------------------------------------------------------------------------------------------|
| Basic function |  |  | Insulating surrounds                                                                                                       |
| Function       |  |  | For compensation between the GA... protective cover and the device (for use in the CI insulated distribution board system) |
| For use with   |  |  | GST00-160-40-60-AOU                                                                                                        |

## Technical data

### Electrical

|                              |  |  |             |
|------------------------------|--|--|-------------|
| Direction of incoming supply |  |  | as required |
|------------------------------|--|--|-------------|

### Mechanical

|                   |  |  |                                                                                  |
|-------------------|--|--|----------------------------------------------------------------------------------|
| Climatic proofing |  |  | Damp heat, constant, to IEC 60068--2--3 Damp heat, cyclical, to IEC 60068--2--30 |
| Mounting position |  |  | Vertical or horizontal                                                           |

## Technical data ETIM 6.0

|                                                                                                                                                                                                                          |  |  |       |
