Smart Bulb

E27 dim A60

Wireless dimmable smart bulb with a warm white color tone to warm up your indoor atmosphere. Reduce the consumption by up to 85% compared to traditional incandescent bulbs. As part of your smart home system, you can manage your lights directly from your mobile phone. Save your preferred setting as a scene, and you are always just a tap away. Combined with a motion sensor, the light can be automatically lit, e.g. when entering your bathroom, laundry room, hallways. You can even put up a schedule to replicate that someone is home.
