

COMFORT TWIST QUICK ISO

Dimmable multifunctional all-round downlight for 230V with Comfort Lens. Twist function makes it possible to twist the luminaire 2x150° and tilt 30° – perfect if you want to direct the light or fit in a sloping ceiling for example. Selectable colour temperature via DIP-Switch ColourTemp directly in the luminaire. IP44 luminaire for use indoors and outdoors. Can be installed directly against insulation in 28mm secondary spaced boarding with 13mm plaster. Complete with dimmable driver, 3-pole push-in terminal for through wiring and strain relief for cable or flex hose 16 mm. Dimmable with most common dimmers on the market.
