Elko has decided to make RoHS compliance of its products one of its priorities, even if they do not fall in RoHS scope, and most of Elko products are RoHS compliant. This stance is fully in line with Elko environmental policy and EN50581 standard.

The below products are RoHS compliant with exemption 6©;7(a);7(c)-I,

Description	Commercial ref
Plus Smart Move det. MW dim push pol-wh	EKO07250
Plus Smart Move det. MW dim push alu	EKO07251
Plus Smart Move det. MW dim push black	EKO07252
RS16 Smart Move det. MW dim push pol-wh	EKO07253
RS16 Smart Move det. MW dim push pure-wh	EKO30199

The information below provides the current product status according to regulation in force at the date of publication of this present document. Any future changes, either in product design or in the Directive may change the status reported here. In case the product is inside the legal scope of RoHS, please note that this document is not the CE declaration. To access to the CE declaration, please refer to our **download center**. In the context of the sustainable development policy of our Company we continuously work towards products and services which reduce the impact on environment or human health when used for their intended purpose and in conditions stated in the documentation provided by Elko.

Shall you need any further information or have specific questions (eg. related to phased out products), our **customer care center** will support you. Please Note: You can find more information about Elko environmental commitment on **our website**.
