RoHS DECLARATION
(Directive 2011/65/EU (Annex II amended by Commission Delegated Directive (EU) 2015/863))

According to the recipe for the manufacturing of **Akulon[®]**, **Arnite[®]**, **Arnitel[®]**, **EcoPaXX[®]**, **Novamid[®]**, **Nylatron[™]**, **Stanyl[®]**, **ForTii[®]** and **Xytron[™]** grades (all colors), with the exception of **Akulon[®] RePurposed** and **UDea[™]**, the following substances are not intentionally used or added:

- The heavy metals cadmium, lead, chromium (VI) and mercury;
- Polybrominated biphenyls (PBB);
- Polybrominated diphenyl ethers (PBDE) including Decabromodiphenyl ether (decaBDE);
- Bis(2-ethylhexyl) phthalate (DEHP);
- Butyl benzyl phthalate (BBP);
- Dibutyl phthalate (DBP);
- Diisobutyl phthalate (DIBP).

Since the presence of the above-mentioned substances couldn't be expected under normal conditions, the absence has not been checked by tests.

Although the above-mentioned substances are not intentionally added, this does not exclude the presence of traces due to (among others) impurities in the components supplied by third parties and used in our production facilities.

However, it is our opinion that the chemical composition of the above mentioned products fully complies with the requirements for the above-mentioned substances according to Directive (EU) 2015/863 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances.

Akulon[®], Arnite[®], Arnitel[®], EcoPaXX[®], ForTii[®], Novamid[®], Stanyl[®], UDea[™] and Xytron[™] are trademarks of DSM.

Seller represents and warrants exclusively that on the date of delivery by Seller the product shall be in conformity with the specifications agreed upon. Seller makes no other representations or warranties, whether express or implied.

Seller is not responsible or liable for the design of the products of the Customer and it is the responsibility of the Customer to determine that the Seller's product is safe, complies with application laws and regulations, and is technically or otherwise fit for its intended use. Seller does not endorse or claim suitability of its products for a specific application and disclaims each and every representation or warranty, whether express or implied, in that respect.

Typical values are indicative only and are not to be construed as being binding specifications. Colorants in the product or other additives may cause significant variations in typical values.
