

## REGULATION COMPLIANCE STATEMENT

# REACH

### Regulation (EC) No 1907/2006

*Statement Issue Date:* Horten, 04.04.22

*Products Covered:* All products manufactured by Norautron AS unless the product is specifically stated otherwise.

*Note: This is a general statement – please contact Norautron AS if you require a product specific declaration (by part number).*

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals, EC 1907/2006) is the European Union's (EU) chemical substances regulatory framework. REACH requires Norautron AS to provide customers with sufficient information on Substances of Very High Concern (SVHC) contained in products in concentration above 0.1% w/w to allow safe use of the products.

To comply with this requirement, Norautron AS certifies that to the best of our knowledge, products manufactured and supplied by Norautron AS, do not contain substances listed on the Candidate List of Substances of Very High Concern at the statement issue date, in a concentration above 0.1% w/w.

Note that Norautron consider the Bill of Materials (BOM) to be Customer property. Norautron take no responsibility for components and materials included in the Customer's BOM and by this certification presupposes compliance to the ROHS directive for material listed herein.
