

ENSTO

Ratchet wrench

CT6.2430

Code	CT6.2430
GTIN	6438389022148
Name	Ratchet wrench 24 / 30 mm, double-size
Description	Can be switched for use in clockwise or counter clockwise directions. The opening of the socket for changeover of the reversible type enables easy cleaning of sand and dirt. The rough gear pitch of the socket enables quick tightening. Lubricate before use.
Vendor	Ensto Finland Oy
