

LEDSTRIP 24V TW/RGB/RGBW

Let your imagination flow with LEDstrip 24V, which comes in TW, RGB and RGBW versions. You can transform your home, office or event with living and captivating colours. LEDstrips can be adapted for any occasion: a party, a cosy night in or work. Create a gentle, relaxing atmosphere with soft pastel colours or light up the room with lively and energetic nuances.

LEDstrip 24V TW, RGB and RGBW are supplied as standard in rolls of five metres with two metre connecting cable at each end, a quick connection and self-adhesive tape for easy installation. Five metre packs contain products to enable you to create three different lengths to suit your needs. LEDstrip is also available made to measure in optional lengths. Drivers are ordered separately, depending on required dimmer technology, control and placing. This flexible and energy-efficient LED strip gives you endless possibilities for creating the perfect atmosphere – indoors or out.

- Versatile LED strip in different clear colours
- Excellent fit for most of our aluminium profiles
- Smooth control with Touchpanel RGBW or Touchpanel TW
- Supplied with 2m connection cable at each end, self-adhesive tape and quick connection (5m)
