**Product description:** ELKO One central plate is a mounting cover for TV/R/SAT outlet. It fits with the most common antenna and multimedia outlets on the market. A Center plate is provided with two openings for Radio and TV with option to knock-out and a third opening for Satellite/Multimedia. To be mounted in suitable 1 to 5-gang cover frame for flush cc 60mm wall-box installation or 1 to 3-gang high surface mounted box for surface installation, as well as in corner box. The dimensions of the product are (W) 71mm x (H) 71mm x (D) 8mm. It is made of recycled Polycarbonate (PC). The color of the product is pure white (RAL 9003) with matt surface finish. It reaches IP20 degrees of protection.

One range by ELKO is covering Wiring Devices, Stand Alone Electronics and Network Connectivity functions for both flush as well as surface installation. The One range has been developed with sustainability in mind, using recycled plastic, recycled packaging material and Cradle to Cradle certified. Modern and slim design with a smooth matt surface finish that is reflecting the light in a glowing way due to it's shape.
