

Tradeforce Luxury Headbanded Earmuff. ABS Cups With Steel Head Band, 34dB

Basic data:

ID	0020920002
GTIN	7630268404321

Features:

Ear muffs fit over the ears to protect against potentially harmful sound levels that can cause hearing loss. These safety ear muffs consist of a headband with padded ear cups that seal around the ears to provide hearing protection by dampening surrounding noise.
