Ledinaire

All-in

New: Philips Ledinaire All-in

All you need to simplify your stock management

Do you want to limit your inventory and minimize the risk of obsolete product codes? And at the same time offer your customers a wide range of options? Look no further than the Ledinaire All-In luminaires, the latest addition to the Philips Ledinaire portfolio.

They turn up to 6 codes into 1 by combining up to 3 color temperatures and up to 2 lumen outputs – in a single luminaire.

Here's how it works

- The lumen output and/or color temperature can be adjusted via an integrated switch.¹
- Multi ColorTemperature: 2700K – 6500K¹
- Multi Lumen: 1,100 – 6,800 lm¹

Your benefits

Fewer codes – full portfolio

From 6 codes to 1 – simplify your inventory and operational complexity. While maintaining your full offer.

Reduced risk of overstocking

Say goodbye to shelf warmers and obsolete product codes.

Easy to recommend

Recommending the perfect luminaire is easy with Philips All-in, because you always have the right product on hand.

Trusted Philips quality

All-in luminaires fulfill our highest standards to give you peace of mind. And happy customers.

Local subsidies can further enhance the appeal of energy efficient lighting for your customers. Learn how they can tap into possible funding on philips.com/ledconversion

¹Depending on product

Peace of mind included

- Less maintenance thanks to lifetimes of 50,000 hours (L70 or L65)¹
- 3 years warranty²
- Up to 120 lm/W efficacy for significant energy cost savings
- Quick connector for fast and easy installation
- Trusted Philips quality
