## 191037

### Components for installation (enclosure/cabinet)

Manufacturer part number: 191037

Serie: xEnergy Light

Type: XVTL-SV-20

EAN-code: 4015081914159

### 191037 Eaton Components for installation (enclosure/cabinet)

Eaton Components for installation (enclosure/cabinet) Montageset verticaal railsysteem XBST in 200mm compartiment voor secli

\* Lead time based on standard manufacturer lead time and historical data. Omnicral confirms lead times upon ordering and upon request.

#### Datasheet

Model	Mounting kit
Height (mm)	1960
Depth (mm)	42
Width (mm)	62
Material	Metal
Colour	Stainless steel
RAL-number	0
Suitable for enclosure building width (mm)	200
Suitable for enclosure building height (mm)	2000
Suitable for enclosure building depth (mm)	0
Max. load capacity (kg)	0

#### Stock and logistics

Height	1.962 m
Width	0.064 m
Depth	0.044 m
Packaging	Item
Weight	4.26 kg
HS code	85389099
Country of Origin	CZ
