

CASAMBI-UNITS

CASAMBI

Wireless smart lighting for professional environments. The Casambi range offers innovative solutions for intelligent lighting control, integrated directly into luminaires or as stand-alone devices. By combining wireless mesh technology with powerful software, Casambi enables fully wireless lighting control. The products cover everything from phase dimming, DALI control to lighting management and more, making it easy to create energy-efficient and user-friendly lighting systems for offices, schools, hotels, and public spaces. With a focus on reliability, simple installation and design freedom, Casambi offers a complete ecosystem for the smart lighting of the future.

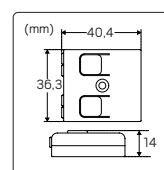

SALVADOR 1000

GTIN	Type
7392971156378	Salvador 1016
7392971156385	Salvador 1032
7392971156392	Salvador 1064

Perfect match with:

- Sky
- Indline G2
- Echo

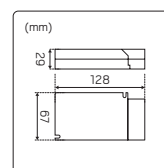

SALVADOR 2000

GTIN	Type	Power
7392971156408	Salvador 2016	DALI 130mA
7392971156415	Salvador 2032	DALI 130mA
7392971156422	Salvador 2064	DALI 130mA

Perfect match with:

- Sky
- Indline G2
- Echo

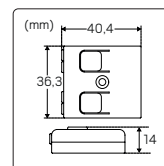

DCS

GTIN	Type
7392971156439	DCS

Perfect match with:

- Indline G2 Casambi

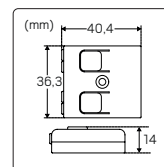

TED

GTIN	Type	Power
7392971156484	TED	1-100W

Perfect match with:

- Optic G2
- Comfort G4
- Flexline

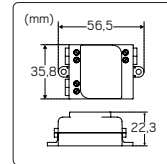

ASD

GTIN	Type	Power
7392971156507	ASD	DALI 6mA

Perfect match with:

- Optic G2
- Comfort G4
- Flexline

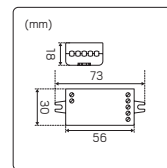

PWM4

GTIN	Type	Power
7392971156491	PWM4	0-144W

Perfect match with:

- SLT driver
- LEDstrip 24V IP20 / 67 TW
- / RGB / RGBW

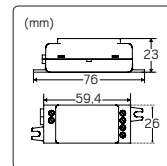

A2D

GTIN	Type	Power
7392971156514	A2D	DALI 20mA

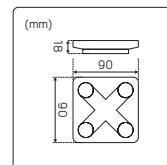

Perfect match with:

- Echo S/M/L DALI
- Sky DALI
- Indline G2 IP23

XPRESS

GTIN	Type
7392971156460	Xpress White
7392971156477	Xpress Black

CLOUD GATEWAY

GTIN	Type
7392971156446	Cloud Gateway
7392971156453	Cloud Gateway POE
