
Product Information SVHC, REACH

The EU REACH regulation (EC) No. 1907/2006 restricts use of Substances of Very High Concern (SVHC) in a Candidate list updated twice a year. This declaration is valid for Candidate list dated **25.6.2025** containing **250** substances.

Declaration

We hereby declare that products manufactured by ABB Oy, Wiring Accessories **do not contain any Substance(s) Above Threshold** of 0,1% w/w except for when marked separately for each product in annex to this document.

Inclusion of a substance on the candidate list does not automatically lead to a substitution and subsequently to a ban. Listing only indicates that these substances might become subject to authorization.

Information in this document is based on reasonable inquiry and current information received from product manufacturing plants and the suppliers of the raw materials used in the above-mentioned products. The certification is true, accurate and complete to the best of our knowledge with the information gathered to date.
