

# SKY PANEL

Efficient LED panel available with opal or microprismatic diffuser. Ideal for installation in ceilings with visible T-bars, making it perfect for office environments, schools, and areas where uniform and glare-free lighting is crucial. A surface-mount frame with pre-punched holes for cable routing is available as an accessory. Selectable colour temperature via DIP-switch ColourTemp: 3000K or 4000K. Sky MP meets screen and UGR requirements (UGR<19) in accordance with EN 12464-1 under standard conditions. Dimmable panels come with a 2 m pre-mounted cable set, Linect, or linkable Q-box. DALI-2 with Linect or Q-box and DALI CLO with Q-box—delivered with plug and driver. With Casambi for smooth control directly in the app. Dim the light and create settings for focus, comfort and energy savings. DIM 600x600 is also available in a 5-pack for efficient installation in larger projects.

- **Easy-to-install panel** in two sizes: **600x600** and **300x1200**
- **Flexible light adjustment** via DIP switch  
– choose color temperature 3000K/4000K
- **Opal** or **microprismatic glare protection**
- **Flexible connection** with Linect or loopable Q-box
- Choose between **dimmable** or **DALI**
- **Control panel via Casambi**  
– ideal for school environments and corridors
- **Sky MP meets screen and UGR requirements** (UGR<19) in compliance with EN 12464-1 in standard conditions
- **DIM version 600x600** comes in **5-pack** with **2 m pre-mounted cable**
- **Spacer frame with pre-perforated holes** for surface mounted cables available as an accessory
