#### Technical data:

|  |  |                         |
|--|--|-------------------------|
| <b>Design of cover / flush design</b>      |  | No                      |
| <b>Product component / Hinged lid</b>      |  | No                      |
| <b>Product feature / halogen-free</b>      |  | Yes                     |
| <b>Material</b>                            |  | others                  |
| <b>Appearance</b>                          |  | not applicable          |
| <b>Number of units</b>                     |  | 2                       |
| <b>mounting position</b>                   |  | horizontal and vertical |
| <b>Color</b>                               |  | Crystal green           |
| <b>Surface processing</b>                  |  | others                  |
| <b>Material / of cover frame</b>           |  | glass                   |
| <b>Product component / Lettering field</b> |  | No                      |
| <b>Protection class IP</b>                 |  | IP20                    |
| <b>Suitability for integration</b>         |  |                         |
| • underfloor duct box                      |  | No                      |
| • built-in installation                    |  | No                      |
| • flush mounting                           |  | Yes                     |
| • device installation duct                 |  | No                      |
