Eaton Protection Strip 4 DIN

Pulsar Series

Product	Ref	Short description
Eaton Protection Strip 4 DIN	68581	Surge protection for computer / mediacenter / phone / TV / Hi-Fi / Video equipment, 4 outlets with safety shutters, 3 LINE PROTECTION technology effective against all types of perturbations, active protection indicator, ON/OFF button with resettable circuit breaker, wall-mounting possibility, warranty for connected equipment up to 15 000 Euros (EU only)

Packaging	Size (WxDxH*, mm)	Weight (kg)	Number of Units / Packaging	EAN Code
Individual Pack	72 x 50 x 310	0.382 kg	1 product / pack	3553340685811
Transport Carton	324 x 260 x 300	8.34 kg	20 packs / carton	
Pallet	1200 x 1040 x 1088	367 kg	920 packs / pallet (=46 transport cartons per pallet)	

Packaging content
1 retail color pack english/spanish/german with one 4-outlet surge suppressor with 1 meter cord + Warranty for connected equipment up to 15 000 Euros in French/English

Technical Specifications	
Electrical specifications	220-250V, 10 A, 50-60 Hz
Power rating	2 500 W
Surge protection	13 500 A (3 MOV 4500 A)
Total energy dissipation	525 Joules
Response time	<1 ns
User interface	1 ON/OFF switch with resettable circuit breaker, 1 light for active protection (green)
Power cord	1 m
Installation	Require earth connection
Environment	For indoor/dry environment only
Colour	Charcoal grey (RAL 7021)
Size (H x W x D*) / Weight	42 x 264 x 52 mm / 0.326 kg
Warranty	2 year + warranty for connected equipment up to 15 000 Euros (EU only)
Standards & approvals	IEC 60 884-1, CE Mark
Quality	Designed, manufactured and marketed under ISO9001 quality system

Typical applications
Computer Equipment: Computer, MediaCenter, Printer/Scanner, Gaming consoles, External Storage, ...
Internet & Phone Systems: Internet Box, Modem, Router, Telephone, IP Telephone, Fax, ...
Audio & Video: TV/LCD & Plasma TV, Satellite Receiver, HiFi, Projectors, DVD, Home Cinema, ...

Key selling points
✓ Surge-protection for any sensitive electronic equipment : Computer, Phone, TV/HiFi/Video/Audio, Office equipment
✓ 3 LINE PROTECTION technology (protection of all 3 wires Line/Neutral/Ground) effective against all types of perturbations
✓ 13 500 A surge protection
✓ Convenient wall-mounting system
✓ Included : "Warranty for connected equipment up to 15 000 Euros" (for EU countries only)
✓ Integrates perfectly in home or office environment thanks to its design and color
✓ Easy to use : 1 ON/OFF switch with resettable circuit breaker, 1 indicator for active protection
✓ Safety shutters for children protection
