

SENTRON, cylindrical fuse holder, 10 x 38 mm, 3-pole, In: 32 A, Un  
AC: 690 V, compact version

| Model                                   |                         |
|-----------------------------------------|-------------------------|
| Product brand name                      | SENTRON                 |
| Product designation                     | Cylindrical fuse holder |
| Design of the product                   | Compact version         |
| General technical data                  |                         |
| Number of poles                         | 3                       |
| Size of fuse link                       | 10 x 38 mm              |
| Electricity                             |                         |
| Current / at AC / rated value           | 32 A                    |
| Operating voltage / at AC / rated value | 690 V                   |
| Mechanical Design                       |                         |
| Height                                  | 90 mm                   |
| Width                                   | 45 mm                   |
| Depth                                   | 58 mm                   |
| Net weight                              | 188 g                   |
| Certificates                            |                         |
| Equipment marking                       |                         |
