

Aluminum Rail for vertical interior fittings Width 800mm

Part no. BPZ-MAH-800
Article no. 154955
Catalog No. BPZ-MAH-800

Delivery program

Mounting type			Floor standing distribution board Surface mounted Flush mounted
Material			Aluminium
Mounting position			horizontal
Device mounting positions			vertikal
Suitable for width		mm	800
applicable for			interior fittings

Technical data ETIM 6.0

Cabinet enclosures (EG000011) / Component for installation (switchgear cabinet) (EC002620)			
Electric engineering, automation, process control engineering / Electrical cabinet, housing, rack / Switching cabinet, housing, rack (accessories) / Component for installation (electrical cabinet) (ecI@ss8.1-27-18-92-61 [ACN627008])			
Model			Mounting rail
Suitable for enclosure building width		mm	800
Suitable for enclosure building height		mm	0
Suitable for enclosure building depth		mm	0
Width		mm	688
Height		mm	25
Depth		mm	15
Material			Metal
Colour			-
RAL-number			0
