Temperature sensor

Part no.   **CSEZ-01/01**
Article no.   **265643**

Delivery program

Product Type		Sensor
Sensor Type		Temperature

Technical data ETIM 6.0

Residential heating (EG000043) / Temperature sensor (EC000407)		
Electric engineering, automation, process control engineering / Measurement technology, process measurement technology / Measuring instrument, temperature / Measuring instrument, temperature (unspecified) (ecl@ss8.1-27-20-02-90 [AAB993011])		
Model		Temperature sensor
With power cord		Yes
Length of power cord	m	1
