

Fuse-link, low voltage, 160 A, AC 500 V, D5, 56 x 46 mm, gL/gG, DIN, IEC, time-delay

Catalog No. 160D200

Technical data ETIM 6.0

|                                                                                                                                                                              |   |                                               |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------------------------------------|
| Circuit breakers and fuses (EG000020) / D-system fuse link (EC000099)                                                                                                        |   |                                               |
| Electric engineering, automation, process control engineering / Electrical installation, device / Safety fuse inserts / Diazed fuse link (ecl@ss8.1-27-14-20-04 [AFZ799012]) |   |                                               |
| Construction size                                                                                                                                                            |   | DV                                            |
| Nominal rated current                                                                                                                                                        | A | 160                                           |
| Nominal rated voltage                                                                                                                                                        | V | 500                                           |
| Colour code                                                                                                                                                                  |   | Copper                                        |
| Utilization category                                                                                                                                                         |   | gL/gG (cable protection/equipment protection) |
| Release characteristic                                                                                                                                                       |   | Time-lag                                      |
