

A dark, industrial-style recording studio with a large white question mark in the center. The background shows a complex network of cables and equipment, suggesting a high-tech environment. The lighting is dim, with some highlights on the equipment and the question mark.

?

Radio RTL 102.5

In the recording studio of the radio station with the most listeners in Italy, lighting is a vital part of daily life. RTL turned to GEWISS devices to equip its Milan facility, where Smart [4] devices are used not only to ensure visual comfort, but also to increase energy efficiency.
