PROJECTS
electrical system, which also regulates the air conditioning. On the walls, the Chorus Geo socket outlets, in black or white to match the decor, are accompanied by 4x100/160 distribution cabinets. In this Business Centre in the province of Bergamo, working life is made simpler and more comfortable with GEWISS products.

PROJECTS
devices provides the necessary guarantees in terms of reliability, enabling cutting-edge furnaces and plants managed by integrated information systems to function. Interlocked switched socket outlets, junction boxes, boards and distribution cabinets ensure safety and efficiency, complying fully with atex standards.

Confalonieri S.p.A.

PROJECTS
To enhance the "made in Italy" design of their creations, Confalonieri chose Italian technology made by GEWISS. Thanks to Chorus, a fully-integrated electrical system manages all of the cutting-edge domotics functions at the company's headquarters in the province of Bergamo.
