

BOLLARD ALVA 360° 700 / 100 7W 4000K ANTH. MILKY ON/OFF

Item number EL10821073

The bollard lights in the ALVA series feature a high-quality design and are ideal for the intelligent lighting of paths, forecourts and driveways or green spaces. Their durability and die-cast aluminium housing ensure they meet all requirements for installation in public areas. The optional integrated motion detector provides energy-efficient, convenient operation.

TECHNICAL DATA

GENERAL

Conformity	CE , RoHS , WEEE
------------	------------------

MOUNTING

Installation type	Free standing
-------------------	---------------

Mounting location	Floor
-------------------	-------

Terminal	2,5 mm² / 1,5 mm²
----------	-------------------

HOUSING

Dimensions	Height/Depth 700 mm, Ø 100 mm
------------	-------------------------------

Housing material	powder-coated aluminium
------------------	-------------------------

Protection type	IP 54
-----------------	-------

Permissible ambient temperature	-25 °C...+40 °C
---------------------------------	-----------------

Relative humidity	5 - 95 %, non-condensing
-------------------	--------------------------

Colour	Black grey, similar to RAL 7016
--------	---------------------------------

HOUSING

Weight3,250 g

ELECTRICAL VERSION

Protection classI

LIGHT

Diffusoropal

Light emissiondirekt

Beam angle160 °

Flicker factor< 3%

Rated output7 W

Luminous Flux (light)460 lm

Luminous efficacy65 lm/W

LED service lifeL₈₀B₁₀ = 50.000 h

Colour temperature4000 K

Colour rendering index R_a> 80

Color Quality Scale>80

Photobiological safetyRisk group 0

Energy efficiency classA++ to A
