

# PD-CE 360i/24 UC

Item number EP10427336

This product has expired and cannot be reordered

## TECHNICAL DATA

### GENERAL

---

Conformity CE , RoHS , WEEE

### MOUNTING

---

Installation type Recessed mounting

Mounting location Ceiling

Terminal 1.5 mm<sup>2</sup>

### HOUSING

---

Housing material UV-stabilised polycarbonate

Protection type IP 40

Relative humidity 5 - 93 %, non-condensing

Colour Opal matt

Weight 120 g

### ELECTRICAL VERSION

---

Protection class III

## SENSORS

---

Power consumption 0.3 W

---

Detection angle 360°

---

Detection range diagonally 24 m

---

Recommended installation height 3 m

---

Max. mounting height 5 m

---

Light measurement mixed light

---

Level of brightness approx. 5 - 2,000 lux

---

Slave input No

---

Fully automatic yes

---

Semi-automatic yes

---

Impulse feature yes

---

Constant lighting control 1

---

## CONTROL

---

### Channel 1

### Lighting

---

Interface Switching/Dimming

---

Contact make contact/floating

---

Switching capacity channel 1 12 - 36 V UC (AC/DC), 2 A
