

BZ 145 24V

Article number: 1459024

## Description

- Hour counter with synchronous motor drive
- Built in distributor device with quick fastening for 35 mm profile rails (DIN EN 60 715)
- Top mounting with additional terminal box cover plate, sealable
- Control panel installation with assembly kit No. 907 0 001
- Contact protection to comply with accident prevention regulation BGV A3
- Captive screw terminals

## Technical data

|                              |                              |
|------------------------------|------------------------------|
| Operating voltage            | 24 – 48 V DC                 |
| Width                        | 2 modules                    |
| Installation type            | DIN rail                     |
| Size front plate             | 35 x 45 mm                   |
| Size of Installation section | 35 x 45 mm (depth 60 mm)     |
| Counting range               | 99 999,9 hours without reset |
| Type of protection           | IP 20                        |
| Protection class             | II according to EN 60 335-1  |
| Ambient temperature          | -10 °C ... +70 °C            |
