

# Product Data sheet

| Part no. | Name                         | Type          |
|----------|------------------------------|---------------|
| 1302100  | Flexi Riser SPBE-20FR-600 SS | SPBE-20FR-600 |

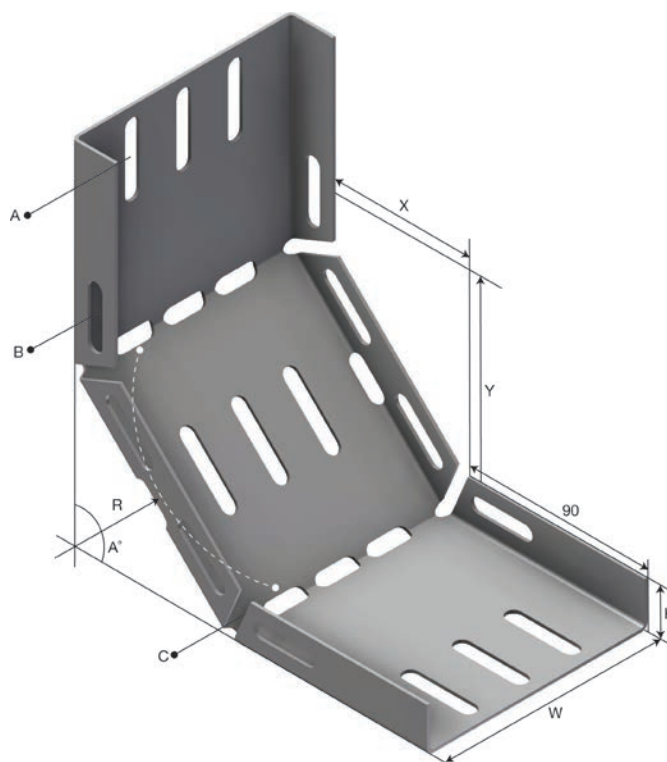

**Description:** Flexi Riser with integrated splice connectors.

**Additional information:** Bend to 30°, 45°, 90° or any other desired angle. Adjust to required angle and fix, no need for splice connector. This flexible part replaces all inside and outside risers. Fixed risers on request.

## Characteristics

| Name                           | Value             |
|--------------------------------|-------------------|
| Weight (kg)                    | 2.0               |
| W Width (mm)                   | 600               |
| B Hole Size (mm)               | 7x30              |
| A Hole Size (mm)               | 7x35              |
| C Hole Size (mm)               | 7x20              |
| Overlap Integrated Splice (mm) | 90                |
| H Height (mm)                  | 20                |
| T Material Thickness (mm)      | 1.5               |
| A Angle (deg)                  | 0°-90°            |
| R Radius (mm)                  | 105               |
| X (mm)                         | 71.In-<br>112.Out |
| Y (mm)                         | 71.In-<br>112.Out |
