

CZ-EMM2

PROXIMITY CARD READERS

Growing market demand for standalone access control system inspired SATEL's engineers to develop flexible solution that meets the requirements of numerous groups of customers.

ACCO system consist of distributed intelligent devices networked for central supervision and management. The combination of proven hardware and software solutions with though out system concept ensures the highest possible quality and makes it suitable for individual needs.

FEATURES

- installed directly on wall/door frame
- communication format: EM Marin
- support for 125 kHz proximity cards/tags

TECHNICAL SPECIFICATION

Data transmission standard	EM-MARIN
Supply voltage (±15%)	12 V DC
Maximum current consumption	55 mA
Head operating frequency	125 kHz
Head operating temperature range	+5°C...+40°C
Head operating humidity range	0...95%
Head dimensions	127 x 35 x 21 mm
Weight	72 g
