

CZ-EMM3

PROXIMITY CARD READERS

Growing market demand for standalone access control system inspired SATEL's engineers to develop flexible solution that meets the requirements of numerous groups of customers.

ACCO system consist of distributed intelligent devices networked for central supervision and management. The combination of proven hardware and software solutions with though out system concept ensures the highest possible quality and makes it suitable for individual needs.

FEATURES

- access authorization with proximity card
- outdoor operation

TECHNICAL SPECIFICATION

Rated supply voltage	12 V DC $\pm 15\%$
Maximum current consumption	80 mA
Housing dimensions	47 x 158 x 24 mm
Working temperature range	-20°C...+55°C
Working humidity range	0...95%
Current-carrying capacity, BELL output	30 mA
Head operating frequency	125 kHz
Data transmission standard	EM-MARIN / WIEGAND 26 / CLOCK&DATA
Weight	315 g
