

HARVIA HTRTXE

HTRT904XE

Harvia Glow is a pillar heater with plenty of stones for medium-sized saunas. With a crown-like, glossy steel appearance, the heater will bring a bit of majestic elegance into your sauna. The heater is equipped with an XE control panel.

Advantages

- Tall, crown-like pillar heater
- Thanks to its great height, the heater can be embedded impressively into the benches
- Plenty of stones visible, giving a gentle sauna experience
- The separate control panel can be placed either inside the sauna or outside it
- Digital temperature display
